

Annual Report

WORLD FEDERATION
OF NEUROLOGY

Name Specialty Group: [Neuroepidemiology](#)

Chair SG: [Pierre-Marie Preux](#)

Reporting period: [October 2023 – December 2024](#)

Committee meetings (number of meetings and participants):

- [In-person meeting during the Montreal WCN \(21/10/2023\).](#)
- [Visio and informal meetings: 28/11/2023 \(photo page 3\); 14/2/2024; 21/5/2024; 20/11/2024.](#)

Any courses/ conferences/ seminar/ workshop etc (brief description, number of participants):

- [WNU: WFN Digital Neurology Update, Teaching Course in Neuroepidemiology, September 26th, 2024.](#)
- [10th International Course of Neuroepidemiology: Methods and Clinical Applications in Erice \(Italy\), November 19-24th, 2024: co-organized with local society of neurology; participation of several of our members, course endorsed by WFN, 30 participants, program available on demand \(photo page 3\)](#)
- [First Caucasus Region Course of Neuroepidemiology, December 8-14th, 2024 in Yerevan \(Armenia\): co-organized by Professor C Ketzoian and others, participation of several of our members, course endorsed by WFN, 16 participants, poster and program available on demand \(photo page 3\)](#)
- [Five activities were proposed for the WCN 2025. One was accepted \(on GBD\).](#)

Any publications/ policy papers/ book chapters/ reviews published by SGs:

- [Courses done within WNU have been submitted for publication to the journal \(with many difficulties\).](#)

Any other activities:

- [Finalize the composition of the executive committee of the SG and edit the website.](#)
- [Attract new members to complete the group \(composition page 4\).](#)
- [Discussions with EAN to propose some common activities.](#)
- [Discussions with WFN on classifications of neurological diseases.](#)
- [Discussions with WFN on a closer participation in GBD, but WFN asked for receiving a recognition in GBD, that is not possible since participation in GBD is on an individual basis.](#)
- [Other proposals to the WFN were not accepted due to exclusive contract with Elsevier: poster prize funded by Karger, hosting intensive online courses on the Karger platform, publication of session abstracts in the Neuroepidemiology Karger journal.](#)
- [Evaluation of several neuroepidemiology intensive courses endorsed by WFN via a mail questionnaire \(data collected, analysis done, writing of the report in progress\).](#)

Any official publications/ journals/ magazines/ newsletters etc.:

If yes provide details

Important Information

As the WFN is a UK charity, and the SGs are part of the WFN, all financial transactions must be transparent, available to the WFN at all times and included in SG annual reports.

All income needs to be declared. There should be no personal fees paid to SG members, except for reasonable travel reimbursement or other organizational costs. Such expenditure must be agreed by the SG.

The WFN will not guarantee any liability for financial contracts made by the SG.

From any surplus of any remunerative SG activity, 10 % is to be paid to the WFN.
