

Meetings of the Neurogenetics Research Group and International Symposia and Workshops

(The following meetings were organized and chaired primarily by our group)

Meeting of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Miami, Florida	May 1990
Meeting of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Society of Human Genetics, Cincinnati, Ohio	October 1990
Meeting of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Boston, Massachusetts	April 1991
International Symposium on the Inherited Ataxias, in conjunction with the Annual Meeting of the Neurogenetics Research Group of the WFN, Boston, Massachusetts	Apr 1991
Session on Genetics, Symposium on West Syndrome, Paris, France	May 1991
Session on Genetics, International Symposium "Focus on Epilepsy", Ste. Adele, Quebec	May 1991
Joint Planning Meeting of the Research Committee of the World Federation of Neurology and the Organizing and Scientific Committees of the XVth World Congress of Neurology, Vancouver, British Columbia	May 1991
International Symposium on Callosal Agenesis held as a satellite of the IBRO meeting, Quebec City, Quebec.	August 1991

Meeting of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the International Human Genetics Congress, Washington, DC.	October 1991
International Workshop on Linkage Studies in Epilepsy, held in conjunction with the International Epilepsy Symposium, Rio de Janeiro, Brazil.	October 1991
Breakfast Seminar on Genetics of Progressive Myoclonus Epilepsies held in conjunction with the International Epilepsy Symposium, Rio de Janeiro, Brazil	October 1991
Session on Etiology, First International Symposium of the Instituto de Neurologia y Neurocirurgia, Barcelona, Spain	January 1992
Session on Genetics, International Symposium on Epilepsy honouring the retirement of Professor Harry Meinardi, The Hague, Netherlands	April 1992
Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, San Diego, California.	May 1992
Session on Neurogenetics, 6 th Congress of the International Child Neurology Association, Buenos Aires, Argentina	November 1992
Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology held in conjunction with the Annual Meeting of the American Academy of Neurology, New York, New York.	May 1993
Symposium on Human Molecular Genetics, Montreal Neurological Hospital and Institute, Montreal, Canada	May 1993
International Workshop on Molecular Genetics of Friedreich's and Dominant Ataxias. Capri (Bay of Naples), Italy	June 1993
Main Theme Symposium on Molecular Genetics in Neurological Diseases, held in conjunction with the International Congress of the World Federation of Neurology, Vancouver, BC.	September 1993

Meeting of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Washington, D.C.	May 1994
Session on Genetics, Symposium on Typical Absences and Related Syndromes, Royal Society of Medicine, London, England	June 1994
Epilepsia-94, XIX Reunion da Liga Brasileira de Epilepsia (Brazilian League Against Epilepsy), Campinas, Brazil. Organized and participated in courses on genetics of the epilepsies and on epilepsy and pregnancy	June 1994
Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Society of Human Genetics, Montreal, Quebec. Topic: Genetics of the Epilepsies	October 1994
Annual Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Seattle, Washington	May 1995
Joint Planning Meeting of the Research Committee of the World Federation of Neurology and the Organizing and Scientific Committees of the XVIth World Congress of Neurology, Buenos Aires, Argentina	October 1995
Annual Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, San Francisco, California	March 1996
Meeting on Epilepsy - A Developing World, An International Programme of Cooperation, Beijing, China.	April 1996
Symposium on Degenerative Diseases of Childhood, Canadian Association for Child Neurology, London Ontario	June 1996

Special Epilepsy Meeting to commemorate the presentation of the Hughlings Jackson Icon by the Montreal Neurological Institute to the National Hospital for Neurology and Neurosurgery, The Wolfson Lecture Theatre, Queen Square, London, England	July 1996
Symposium entitled: Advances in Clinical Neurosciences: a Four Institute Conference in memory of Professor Anita Harding, Milan, Italy	December 1996
Annual Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Boston, Massachusetts	April 1997
International Symposium on the Inherited Ataxias, Montreal, Quebec, Canada	May 1997
Course on Epileptic Syndromes and their Genes: New insights and clinical relevance Canadian Congress of Neurological Sciences, Saskatoon, Canada	June 1997
Breakfast Symposium on Epilepsy and Pregnancy, 22 nd International Epilepsy Congress, Dublin, Ireland,	July 1997
Section on Friedreich's ataxia, 4th International Workshop on Machado-Joseph Disease, Curitiba, Brazil	September 1997
Symposium entitled Epilepsy and Genetics, VIIIth Pan American Epilepsy Congress, Buenos Aires, Argentina	September 1997
Symposium 14: Advances in Genetics of Neurological Disorders XVth World Congress of Neurology, Buenos Aires, Argentina	September 1997
Symposium on Genetics of the Epilepsies, Annual meeting of the American Society of Human Genetics, Baltimore, Maryland	October 1997
International Symposium on Movement Disorders and Epilepsy in Children, University of Pisa, Pisa Italy	March 1998

Symposium on Genetics of Epilepsy. American Academy of Neurology, Toronto, Ontario	April 1999
Annual Meeting and International Symposium of the Research Group on Neurogenetics of the World Federation of Neurology in conjunction with the Annual Meeting of the American Academy of Neurology, Toronto, Ontario Topic: Genetics of Cortical Dysplasias: an update	April 1999
Planning Meeting of the World Federation of Neurology for the XVIIth World Congress of Neurology in conjunction with the American Academy of Neurology Meeting, Toronto, Ontario	April 1999
Genetics panel, International Workshop on Sturge-Weber disease, Bethesda, Maryland	June 1999
Joint Planning Meeting of the Research Committee of the World Federation of Neurology and the Organizing and Scientific Committees of the XVIIth World Congress of Neurology London, England	June 1999
Symposium on Partial Epilepsy Syndromes, 23 rd International Epilepsy Congress, Prague, Czechoslovakia	September 1999
Symposium on Genetics of Neuronal Migration Disorders, 24 th International Epilepsy Congress, Buenos Aires, Argentina	May 2001
Second International Symposium on Rasmussen Syndrome, Montreal, Canada	December 2002
Symposium on Genetic Counseling in the Epilepsies, 25 th International Epilepsy Congress Lisbon, Portugal	October 2003
International Symposium on Tuberous Sclerosis: Genetics, Behaviour and Surgical Treatment, Montreal, Canada	December 2003

Second International Neuroacanthocytosis Symposium: Expanding the Spectrum of Choreatic Syndromes Montreal Neurological Institute, Montreal, Quebec,	April 2005
Symposium on Women and Epilepsy 28 th World Congress of Neurology Sydney, Australia,	November 2005
International Symposium on Polymicrogyria Syndromes and Epilepsy Montreal, Quebec,	December 2005
Combined McGill Neurology Conference & McGill Genetics Rounds: Case Presentations Montreal, Quebec,	January 2006
International Symposium on Alternating Hemiplegia Montreal, Quebec	June 2006
Symposium on Genetics of Epilepsy Syndromes International Child Neurology Congress, Montreal, Canada	June 2006
Symposium on Genetics of the Epilepsies. International Neurophysiology Congress, Edinburgh, Scotland	July 2006
International Symposium on Unverricht-Lundborg Disease and Lafora Disease, Sarlat, France,	May 2007
Symposium: Pathways of Brain Development: Genetic and Phenotypic characterization of malformations of cortical and cerebellar development: The American Society of Human Genetics (ASHG) 57 th Annual Meeting San Diego, California	October 2007
Investigators' Workshop: Pathways of Brain Development: Genetic and phenotypic characterization of malformations of cortical and cerebellar development. 61 st Annual Meeting of the American Epilepsy Society (AES) Philadelphia, PA,	December 2007
Integrated Neuroscience Session 60 th Annual Meeting of the American Academy of Neurology (AAN) Chicago, Illinois	April 2008
International Symposium on Progressive Myoclonic Epilepsies (PME's), San Servolo, Venice, Italy	April 2010
