DIAGNOSIS AND THERAPIES OF RARE NEUROLOGICAL DISORDERS

RARE CAUSES AND FORMS OF VASCULAR BRAIN DISEASES

Pr. Amadou Gallo DIOP, MD, PhD

Dpt of Neurosciences, University Hospital of Dakar, SENEGAL

CHALLENGES

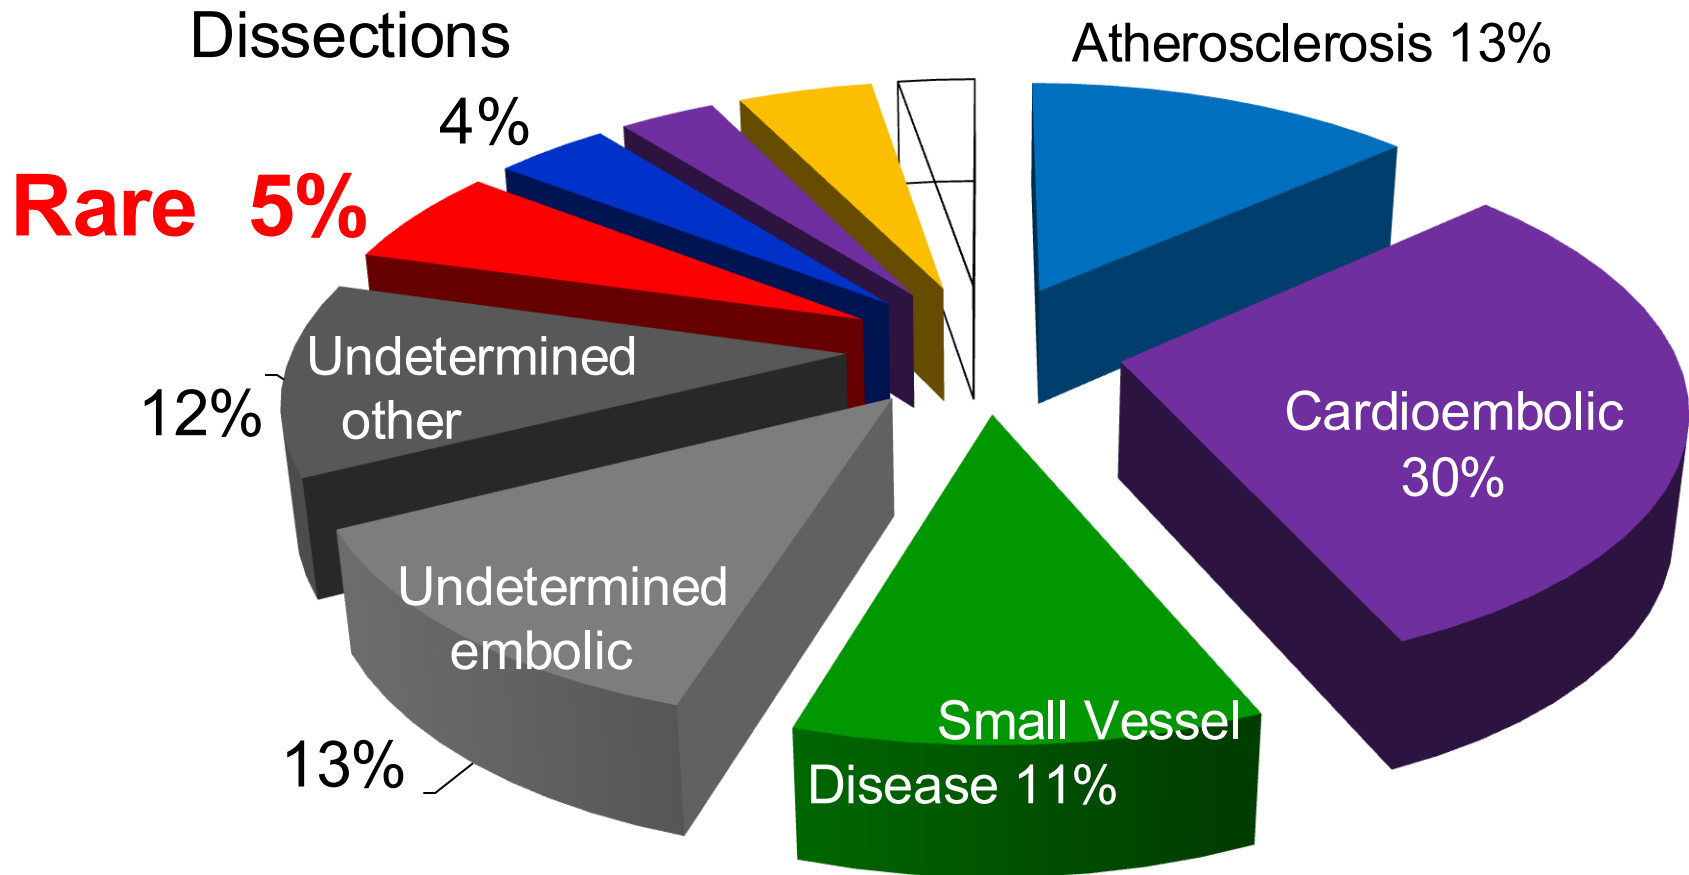

Usually and daily, we are managing Strokes and other Brain Vascular disorders;

But in this globalized world, patients can originate from anywhere and Doctors can practice all over geographical, sociocultural, economical and environmental contexts.

Are these risks factors univocal ?

- ◆ Hypertension
- ◆ Tobacco
- ◆ Obesity
- ◆ Physical Inactivity
- ◆ Unsafety food
- ◆ Alcohol
- ◆ Dyslipidemia
- ◆ Diabetes
- ◆ Psychosocial factors
- ◆ Cardiac causes
- ◆ **OTHERS...?**

What about the **rare 5%** in this classification ?

The Content ; The Container ; The Blood

What about the rare factors?
