Gala Dinner at Chez Ali

Sponsored by His Majesty the King Mohamed VI

Transportation pick up from hotels at 19:30

Dinner starts at 20:00

Join us for an unbelievable night of entertainment that offers the chance to experience the sights and sounds of Moroccan musicians and dancers, while eating a 5 course meal in caidal tents.

Magical, magnificent, authentic, the entertainment of Chez Ali is all that. Over the years, it has achieved worldwide fame, and must today be considered the highpoint of any successful visit to Marrakesh. Dancers, musicians, acrobats, horsemen, magicians, each contribute to the proceedings with a *joie de vivre*. It is in the arena itself that, dinner over; the show really takes off, with dance, song, caravans, and the extraordinary skill of the Berber horsemen on their Arab thoroughbreds. To cap it all, the amazing "fantasia" will make you feel part of an everlasting dream out of 'Thousand and One Nights'.

Reservation Fee: €10

Ticket Price for accompanying persons: €50

Instructions for Oral Presenters

SPEAKERS' READY ROOM

Two Speakers' Ready Rooms will be available every day throughout the Congress for speakers.

For sessions taking place in Halls A-K, speakers should upload their presentation in the Speakers' Ready Room on the lower level of the Palais des Congr s, Mansour Eddahbi Congress Center and for sessions taking place in Halls 1-3, in the Speakers' Ready Room at the Ryad Mogador Hotel, which is just a 2 minute walk from the Palais des Congr s.

If using a PowerPoint (or any other computer) presentation, please note you need to bring it on a CD, a DVD or on a "disk on key" memory stick (using the USB port in the computer) and load it on one of the congress' computers in the Speakers' Ready Room, at least 1 hour before the start of the session. You may supply your own laptop computer as a back-up. If combining video films with PowerPoint, please make sure to check it in the session hall where your lecture is taking place during a coffee or lunch break prior to your session, at least

30 minutes before the start of the session - even after checking it in the Speakers' Ready Room. Please note that the Congress' computers in the session halls are being supplied with Windows and Office 2007.

Important note for Macintosh users

In order to use MAC presentations on a PC compatible computer please note that you need to prepare it according to the instructions below, before bringing it to the Speakers' Ready Room.

- » Use a common font, such as Arial, Times New Roman, Verdana, etc. (special fonts might be changed to a default font on a PowerPoint based PC).
- » Insert pictures as JPG files (and not TIF, PNG or PICT - these images will not be visible on a PowerPoint based PC).
- » Use a common movie format, such as AVI, MPG and WMV (MOV files from QuickTime will not be visible on a PowerPoint based PC).

You may use your own Macintosh laptop computer as a back-up. In such a case please confirm that it has a VGA socket for external signal and come to

check it first in the Speakers' Ready Room as soon as you arrive and later on in the session hall where your lecture is taking place during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session. Please note that VHS Video projection, 35 mm' slide projection and Overhead projection (projection of transparencies) will not be available.

Instructions for Poster Presenters

Posters will be on display for one day. Please check the Scientific Program to see the exact poster board number, date, and time of the poster session. Posters may be mounted from 07:00 on the allocated day and should remain on display until the end of sessions on the allocated day.

Presenters are requested to stand next to their posters during the morning and afternoon coffee breaks.

The organizers are not responsible for any posters that have not been removed by the end of sessions.
