

# WFN/AFAN Epilepsy Education Day Programme

6 November 2021

Start at 08.00 GMT

Time (GMT) 08.00	Opening; introduction: AFAN/WFN/ILAE (5 min) <b>Augustina Charway-Felli &amp; William Carroll</b> Moderator/CHAIR: <b>Angeline Kakooza (AFAN-ILAE) -Uganda; William Carroll (WFN)- Australia</b>		
	Topic		Speaker
08.10	1. The epidemiology and incidence of Epilepsy in Africa (20min)		Charles Newton (AFAN - Kenya)
08.30	2. Tackling the burden of epilepsy in Africa (20min)		Amadou Gallo Diop (AFAN -Senegal)
08.50	3. Clinical approach to Epilepsy and seizures; Definitions and classification (30 min)		TBA (EAN/ILAE)
09.20	Q&A (10 min)		
09.30	BREAK (20min)		
09.50	4. Rational use of neuroimaging in the diagnosis of epilepsy in LMICs (20 min)		Tarek Yousry (United Kingdom)
10.10	5. EEG interpretation – a little knowledge is a dangerous thing (20min )		Lawrence Tucker (AFAN - S Africa)
10.30	6. Using clinical features to recognise autoimmune epilepsies (20min)		Nadia Ben Ali (AFAN- Tunisia)
10.50	Q&A (10 min)		
11.00	BREAK (20min)		
	Moderator/CHAIR: English Hassan Hosny (AFAN-Egypt) / French: Daniel Gams Massi (AFAN - Cameroon)		
	Parallel sessions		
		English	French
11.20	7. Managing new-onset seizures in Africa and other resource-constrained settings; evaluation and differential diagnosis (30min)		Alfred Njamnshi (AFAN – Cameroon)
11.50	8. Managing seizures and behavioural problems in children with epilepsy in Africa and other limited-resource settings (20min)		Zeinab Kone (AFAN – Mali)
12.10	9. Management of Epilepsy in special populations: Women; HIV; (20min)		Amina Gargouri (AFAN – Tunisia)
12.30	10. Managing status epilepticus in a limited-resource setting (20min)		Athanase Millogo (AFAN- Burkina Faso)
12.50	Q&A (15 min)		
13.05	BREAK/LUNCH (90 min)		
	Moderator/CHAIR: Mehila Zebenigus (AFAN – Ethiopia) Deanna Saylor (AAN - USA/Zambia)		
14.35	11. Making the case for epilepsy surgery in LMICs (20min)		James Butler (AFAN - S Africa)
14.55	12. Diagnosing and managing psychogenic, non-epileptic seizures (PNES) in LMICs (20min)		Maria Benabdeljlil (AFAN - Morocco)
15.15	13. Establishing an effective epilepsy service in a poorly resourced African setting (15min)		Birinus Ezeala-Adikaibe (AFAN - Nigeria)
15.30	14. The utility and efficacy of Web-based EEG training and e-learning in Africa and other resource constrained settings: making the case of Web-based neurology training in Africa (15min)		Melody Asukile (AFAN - Zambia)
15.45	Open discussion; Q&A (20 min)		
16.05	CLOSING REMARKS (AFAN; WFN; ILAE, AAN, EAN) (10 min)
